[24 CFR Part 903.7 9 (r)]

Nevada Rural Housing Authority has prepared the agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. The Plan describes the Housing Authority, its mission and strategy for addressing the housing needs of extremely low-income and very-low and very-low income families in rural Nevada.

Nevada Rural Housing Authority traces its origin to Nevada Revised Statutes Chapter 315.960 – 315.966, the 1973 Rural Housing Authority Law.

The primary objective of the Housing Authority is to provide safe, decent and affordable housing for low-income families in rural Nevada. The Housing Authority has the responsibility for planning, constructing, purchasing and managing properties using a variety of affordable housing programs. We administer Housing Choice Vouchers to approximately **1543** families living in housing that is privately owned. Through other funding we administer an average of **77** vouchers and administer **70** vouchers through Veterans Administrative Supportive Housing funds. Overall, the Housing Authority currently provides assistance to more than **4,500** persons living in units located throughout rural Nevada.

Federal laws establish the rent structure of the housing programs administered by the Housing Authority and require that the family income be verified annually. Federal Regulations also impact the selection of program participants, occupancy, lease and hearing procedures.

In our Five-Year Plan, the Housing Authority recognizes the need for housing for person with disabilities, elderly and large families. Our goal is to continue to apply for additional housing choice vouchers and to acquire USDA Rural Development 515 units when possible.

The Authority's Plan will be thoroughly reviewed by Resident Advisory Council, and their comments will be summarized and included in Resident Comments.
