

HOME AT LAST™

Certified Realtor Workshop

How would you like to help more of your homebuyers into homes? Join Linda Rivera, NMLS 363108 of Axia Home Loans and Nevada Rural Housing Authority to learn how your homebuyer may receive extra money back on their taxes each year, and get a grant for down payment and closing costs. Income limits up to \$125,000 for the qualifying borrower. Join us to find out how your homebuyers can purchase a home and pay the same or less than they are paying in rent! We will also discuss all of our latest & greatest changes, so this is a great refresher course if you are already certified.
