

LUNCH & LEARN

Home At Last™ Certified Realtor

How would you like to get more homebuyers into homes? Do your homebuyers make \$125,000 or less? Join Nevada Rural Housing Authority and Nova Home Loans to learn how your homebuyer get up to a 5% down payment grant they don't have to repay, and receive a \$2000 tax credit each year. The \$2000 credit can be used as extra income, which means your homebuyer can qualify for a larger loan AND it can be used to lower DTI. We will also discuss all our latest & greatest changes, so this is a great refresher course.
