We know you have many questions and we are diligently working to address each of them. We have developed a list of [COVID-19 Frequently Asked Questions](#) and will continue to update this document on a regular basis to keep you informed of process and policy updates.

Supporting our Borrowers: Loan payment assistance

If a borrower is experiencing hardship as a result of COVID-19, now or in the future, regarding a mortgage or, home equity line or loan, we have available options and the customer can call **888.287.7817** to get assistance.

- If a borrower is unable to make their mortgage payment, we offer several customer assistance programs that may allow them to have mortgage payments suspended for up to 180 days (6 months). With our customer assistance programs, borrowers will not be charged any late fees and their account will be reported as current to all credit agencies and allow for payments to be suspended for up to 180 days.
- If, after the initial 180 days suspension of payments their hardship has not been resolved, we will continue to work with them. Options If they are unable to pay the suspended installments in full, options such as extending the forbearance program up to an additional 180 days, repayment plans, or a loan modification may be available if they meet requirements.
