

RESERVE THE HOME MEANS NEVADA or BUY IN NYE PROGRAMS AND MCC

The Mortgage Credit Certificate is a completely separate reservation when originating a Home Means Nevada or Buy in Nye Programs loan. Log in and choose the applicable Nevada Rural MCC program and reserve the MCC. To reserve funds in the MCC program the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

When reserving the MCC, if you receive the following message - Loan: one or more loans were found associated to the Social Security Number of either the borrower or some co-borrowers - click on the CONTINUE button as shown in the screen shot below. You will be permitted to continue with the MCC reservation. (Added 02/16/23)

To the right of these buttons is a "RESERVE" button. Below the navigation bar is a red error message: "Loan: One or more loans were found associated to the Social Security Number of either the Borrower or some Co-Borrowers." At the bottom of the screenshot is a table with four columns: "LOAN NUMBER", "LAST NAME", "FIRST NAME", and "RESERVATION DATE".
