HOME AT LAST DOWN PAYMENT ASSISTANCE & SECOND LOAN TERMS**Assistance - 30 year forgivable Second Mortgage**

All down payment assistance options are provided in the form of a 0% interest, 30-year forgivable second loan with no prorated forgiveness and no scheduled payments. The entire amount of the second loan will be due from the borrower and repaid to Nevada Rural Housing Authority if the first mortgage is paid off any time during the 30-year loan term. The borrower may prepay the second loan to Nevada Rural Housing Authority without penalty at any time prior to the expiration of the 30-year loan period. (Rev. 09/01/22)

For all assistance options, the assistance is calculated as a percentage of the first mortgage Note amount and funded by the Lender. The Assistance may be used for down payment or closing costs and prepaids. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. When you reserve the first mortgage, the Assistance is automatically reserved. There is no additional reservation necessary. Borrower paid closing costs may only include recording fees, transfer taxes, a bona fide and reasonable application fee, and a bona fide and reasonable fee for housing counseling services. The

application fee and housing counseling services fee must be less than one percent (1%) of the second loan amount. (Rev. 12/05/22)

Because the Assistance is a fixed amount, **any remaining Assistance must be applied as a principal reduction.** After the Home Means Nevada DPA first mortgage is reserved, the reservation of assistance funds will be required. See page 19 for guidance on how to reserve the assistance. Borrower paid closing costs may only include recording fees, transfer taxes, a bona fide and reasonable application fee, and a bona fide and reasonable fee for housing counseling services. This document will be automatically generated in [eHP FrontPorch](#) using the eHProForms App at the time of reservation. Lenders are responsible for verifying the accuracy of the information provided in the documents. The worksheet will not be reviewed by either eHousingPlus or Nevada Rural Housing Authority prior to loan closing. Lenders originating loans in the Home Means Nevada and Buy in Nye Programs are solely responsible before and after loan closing to ensure household income has been properly calculated in determining borrower(s) eligibility for the Program. The Worksheet for Documenting Eligible Household Income & Residency must be submitted with the loan closing package. (Rev. 10/02/23)

RESERVE

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage at the published rate, which will include any applicable down payment assistance. Lenders acknowledge rates are subject to change without notice. (Rev. 09/01/22)

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHPortal. And then, the lender must email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to have the borrower permanently removed from the eHousingPlus Lender Portal. Until this process is complete, the lender will not be able to re-reserve funds for the borrower.

Lenders underwrite & are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. **Following loan reservation and PRIOR to loan closing, the Lenders Underwriter MUST complete the online Underwriter Certification within the eHPortal.** Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, please email (services@eHousingPlus.com) or call the eHousingPlus Compliance office at 954-217-0817 to request to have the certification removed. (Rev 9/10/20)

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select **eHPDigital Docs** and from the **drop down menu click on New Upload** and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs App and eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area. Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies. Please make sure that you're shipping and post-closing staff is very familiar with this area. Remember your loan can't be approved without standing deficiencies.

SUBMIT MORTGAGE FILE & CREDIT PACKAGE TO SERVICER

The Mortgage File including Credit Package and it is sent to US Bank. The US Bank Delivery and Funding Checklist is found within the US Bank web site.

PROGRAM TIMETABLE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract. To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below.

If the loan is not underwriter certified prior to closing, the loan is subject to cancellation. eHousingPlus via email notifies lenders that the loan may be canceled if the underwriter certification is not completed. Should the loan reservation be canceled at any point during the reservation, the issuer may allow the loan to be reinstated at the higher of the mortgage rate originally reserved or the then current program mortgage rate. (Updated 10/20/20)

Loan Processing, Delivery and Purchase Timetable (Rev 9/10/20)

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- Purchased by the servicer, US Bank within 70 days of loan reservation (this means the loan file closed, received compliance approval and it purchased by US Bank).

Loan Purchase Extension Fee - Loan reservations 01/01/23 and after

Any loan not purchased within 70 days will automatically receive a 30-day extension at the cost of 0.25% of the loan amount. Additional 30-day extensions will be applied as needed at a cost of 0.25% of the loan amount for each extension. Extension fee(s) will be netted by the Servicer when loans are purchased. (Added 02/15/23)

Loan Purchase Extension Fee - Loan reservations prior to 01/01/23

Any loan not purchased within 70 days will automatically receive a 30-day extension at a cost of \$375. Additional 30-day extensions are available at a cost of \$375 for each extension. Extension fee(s) will be netted by the Servicer when loans are purchased. At 101 days, a loan that hasn't been delivered or received an additional extension is cancelled and cannot be reinstated. (Updated 07/15/22)

PROGRAM FEES

FIRST MORTGAGE FEES

eHousingPlus Fees

The program includes a first mortgage Compliance/Admin Fee and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

eHousingPlus Fee - Home At Last - \$275

eHousingPlus Fee - Home Means Nevada and Buy in Nye - \$300

(Rev 12/05/22)

The Compliance/Admin Fee is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements.

US Bank Fees

\$84 Tax Service Fee and \$400 Funding Fee. These fees will be netted out at time of purchase by US Bank.

OTHER LENDER FEES – Lender Fees are any fees paid to the Lender for services rendered (i.e. Processing, Underwriting, Administrative, Document Preparation, etc.). Lender fees must be reasonable and customary, and may not exceed what is typically charged by the Lender to other borrowers. “Junk” fees may not be charged and excessive fees are not permitted. The purpose of down payment and closing cost assistance is not to provide a source to pay for such fees. This is a public purpose program for affordable housing and fees are closely monitored.

LENDER COMPENSATION

Lender compensation is a combination of the origination fee charged to the borrower at closing and a Service Release Premium (SRP) paid by US Bank when the loan is purchased.

Loan Origination Fee – Lenders may charge the borrower a loan origination fee up to the applicable amount shown in the chart below as part of the lender compensation. Lenders will retain the origination fee at closing.

Service Release Premium (SRP) – US Bank will pay Lender an SRP equal to the applicable amount shown in the chart below at the time the loan is purchased.

The chart below shows a breakdown of total Lender Compensation. In addition to the origination fee, Lender may charge "reasonable and customary" fees and expenses that would apply with respect to non-program loans. (Rev. 09/01/22)

Effective 03/13/23

Program Type	Origination Fee	SRP Paid at Loan Purchase	Total Lender Compensation at loan purchase by U.S. Bank
Home At Last Home Means Nevada Buy in Nye	Not capped	1.50%	1.50% Plus the origination fee charged by the lender

ADDENDUM A
DETERMINING INCOME FOR
HOME MEANS NEVADA DOWN PAYMENT ASSISTANCE (DPA) PROGRAM

**An Underwriting Guide for Determining Borrower and
Occupant Income for Household Income**

Program qualifying income (or compliance income) is not the same as credit qualifying income. The calculation of Program qualifying income is different than the calculation of credit qualifying income, the income that is used for credit underwriting your borrower's FHA, USDA-RD, VA, or Fannie Mae/Freddie Mac Conventional loan.

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse's occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated).

Unlike income that is averaged for credit underwriting, the Home Means Nevada Rural DPA Program considers the actual Current Gross Annual Income. You should be reviewing the YTD income and the income shown on previous tax returns for consistency. If there are not inconsistencies in earnings, use the below for determining the actual Current Gross Annual Income for each occupant 18 years of age or older. Current gross monthly income is generally determined first then it is multiplied by 12 months to determine the total Current Gross Annual Income. Upon the determination of Current Gross Annual Income for each occupant, the Household Income can then be determined and compared to the Income Limits and household size for the county in which the borrower(s) are purchasing to determine if the borrower(s) are eligible.

Please note that this serves as a guide only. Underwriters and Lenders must determine the most accurate actual Current Gross Annual Income based on the pay documentation collected from borrower(s) and spouse(s) and other occupants 18 years of age or older. Underwriters and Lenders must exercise due diligence in determining Household Income and collect the appropriate pay documentation for each occupant 18 years of age or older that supports and validates the Program qualifying income of each occupant. Please note that this documentation may vary from borrower or occupant depending on the borrower or occupant's profession, income source, work schedule or how often income is received. Just as a Lender would collect the necessary income documentation to support and validate credit qualifying income for a borrower, Lenders should collect the necessary income documentation to support and validate the Program qualifying income of the borrower(s) and/or occupant(s).

Gross monthly income considers the sum of monthly gross pay; any additional income from overtime, part-time employment, bonuses, income from self-employment, dividends, interest, royalties, pensions, VA compensation and net rental income, other income (such as alimony, child support, sick pay, social security benefits, unemployment compensation, income received from trusts, and income received from business activities or investments), and the continuation of which is probable for the next 12 months based on foreseeable economic circumstances determined at the time of application.

Program Qualifying Income: Household Income will be confirmed on the eHousingPlus eHPortal, Underwriter's Certification. Any income obtained from this document that reflects a Household Income exceeding the income limit will result in the pending of the loan file and non-purchase of the loan until Lender resolves the discrepancy. Lenders can resolve by providing any necessary documentation to support income eligibility or, if it is determined through the review of additional documentation submitted by the Lender that the Household Income does exceed the Income Limit, the loan will be cancelled, and the borrower will not be eligible for participation in the Program. Use the information below as a general guide. Please contact the eHousingPlus Compliance Team with any questions or concerns at services@eHousingPlus.com or 954-217-0817.

IMPORTANT! PLEASE READ.

Alternative pay or income documentation used to support Household Income should be retained by the Lender and any alternative documentation used to validate Household Income should be acceptable to the Loan Agencies (FHA, USDA-RD, VA, Fannie Mae/Freddie Mac Conventional). Alternative pay or income documentation includes, but may not be limited to, current pay stubs which delineate "current period", W-2's, for all borrowers and all employers, and bank statements to verify the receipt of income. If W-2's are present in the loan file, Lenders should verify that the total of W-2's presented equals the income shown on borrower / occupant tax returns. For clarification on which documentation should be submitted to eHousing to confirm borrower(s) are eligible for participation in the Program, please see the "Closing, Shipping and Clearing Loans for Purchase" section of this Lender Guide.

Pay or income documentation to support credit underwriting for the first mortgage loan and to support AUS findings are forwarded to the Master Servicer upon loan closing in the first mortgage closed loan file. **The Master Servicer does not re-underwrite loans.** The Master Servicer will confirm that the pay/income documentation included with the first mortgage closed loan file supports the AUS findings and credit underwriting approval.

Verification of Employment

A verification of employment (VOE) may not be required if acceptable pay/income or alternative pay/income documentation can validate Household Income. If a VOE is required by the Agencies, then it should be obtained for credit underwriting, but it may not necessarily be considered in determining Program income if alternative documentation provides a more accurate reflection of a borrower / occupant's Current Gross Annual Income.

Income from a Salary or Wage

Using the last 4 – 6 weeks' pay stubs, add together the gross pay from each pay stub supplied. Divide this total by the number of pay stubs and then multiply by the number of pay periods within a year (i.e., if paid bi-weekly multiply by 26, if bi-monthly multiply by 24, etc.).

Commission / Bonus Income

If commission income was noted to have been received as YTD on the 4 – 6 weeks of paystubs supplied, but was not actually received during the review period:

Divide the YTD commission / bonus income by the number of pay periods that have already occurred in the year to obtain the average per pay period. Multiply this average by the total number of pay periods in the year. Add this amount to the calculated income from salary or wage.

Self-Employed / Income from Business

Use the quarterly tax returns and financial statements to identify the current net YTD income. Add back in any depreciation. Divide the YTD income by the number of months during which it was earned and multiply by 12. Losses from a business cannot be deducted from another source of income.

Verification that Overtime, Bonus or Commission payments are terminated

If OT was received during the 4 – 6 weeks of pay subs provided, or bonus or commission income was noted as paid in the YTD information, but verification has been provided in writing from valid third-party source (i.e., employer confirming termination of such income or that it is not likely to continue or change in employment status ceased these payments), you may remove these amounts received when calculating the Program income.

Interest / Dividends

Use current earnings statements issued by the bank, investment broker or agent. Identify the YTD interest or dividend earnings. Divide by the number of months this YTD represents and multiply by 12. If statements are not available, and the terms of the investment agreement are available, multiply the principal amount of the asset times the annual interest yield factor for a projected interest earnings amount. If neither are available, use the previous year's earnings statements or tax returns to identify the total annual interest and dividend income. If the assets are still invested in the same instruments, use the previous year's figures.

Alimony / Child Support

Use the monthly amount appearing in the divorce decree, separation agreement or other support document. If the borrower / occupant receives more or less than the amount stipulated in the agreements, use the monthly figure that the borrower / occupant declares and that can be verified (on bank statements for example).

Multiply the verified or calculated amount from the above process times 12.

Pensions / Temporary Payments

Use the benefits statement issued by the benefits provider (pensions, workers compensation, disability compensation, social security, AFDC, etc.) to identify the amount of the benefit, payment frequency and expected term of benefit. Multiply the amount of the benefit times the payment frequency. If the benefit is absolutely not payable to the recipient beyond a given date (a verifiable complete and permanent stop of benefits without extensions, exceptions, waivers or other conditions) and such date is within 12 calendar months of the anticipated closing date, then calculate the benefits expected through the end of the benefits term.

Boarder Income

All income of persons 18 years of age or older who are expected to principally and permanently reside in the residence being financed must be included in the calculation of Current Gross Annual Income. Anticipated Rental Income from 2 – 4 Unit Properties Anticipated rental income from the property being purchased is not included in the calculation of income for Program purposes but may be treated as detailed in Agency guidelines. If the borrower / occupant currently receives income from rental property, that income must be included in the calculation of income. Use the last year's tax returns to establish any rental income and remember to add back depreciation.

Calculation of Current Gross Annual Income

Add together all sources of income per each borrower / occupant. Compare the calculated Current Gross Annual Income to paystubs, VOE's, the previous year's income per W2's and tax returns. You should not note significant differences that cannot be accounted for (i.e., Child Support income). In some cases, the Current Gross Annual Income will be higher than the previous year's income. Significant variances should be attributable to increases/decreases in pay or number of hours worked. If paystubs are being used as confirmation of eligibility, Lenders should note within their loan file any variances and why any variances have occurred.

Calculation of Household Income

Add together the Current Gross Annual Income calculated for each borrower / occupant. Compare the Household Income calculated to the Income Limit to ensure compliance with Program requirements.
