The Rural Rock \$20K Program will provide \$4,000,000 to qualified homebuyers purchasing a primary residence in the NRH eligible area (see page 11). A borrower must be employed in an eligible occupation and a resident of Nevada for a minimum of six months prior to loan reservation. Borrowers will receive \$20,000 which may be applied toward down payment assistance and/or a permanent rate buy down.

Rural Rocks \$20K Second Mortgage

Assistance - 30 Year Forgivable Second Mortgage

Borrowers will receive \$20,000 in down payment assistance, which may be used in one of two ways:

- 1) Apply the full \$20,000 toward down payment assistance and/or closing costs; **OR**
- 2) Pay discount points equal to 2% of the principal loan amount to permanently buy down the Rural Rock \$20K Program interest rate. Any remaining funds may be used toward down payment and/or closing costs.

Assistance is in the form of a 0% interest, 30-year forgivable second mortgage that is forgiven at the end of thirty years. Repayment is only required in the event of the sale, transfer, satisfaction of the first mortgage, refinancing of the property or until such a time the mortgagor ceases to occupy the property within the 30-year term, at which time, the second mortgage will become payable in full. The Assistance may be used for down payment or closing costs and prepaids. While there is no cash back in this program, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed amount, any remaining Assistance must be applied as a principal reduction. When you reserve the first mortgage, the Assistance is automatically reserved. There is no additional reservation necessary. Fees on the second mortgage are limited to recording fees and no more than 1% of the DPA.

MANDATORY HAL University PROGRAM TRAINING

Lender training is mandatory for anyone working with this program. HAL University provides program training online 24/7. [To attend click on this link.](#)

eHP TECHNICAL AND WORKFLOW TRAINING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Technical and Workflow requirements of each program. Based on your role, there are certain training requirements prior to adding a new Program and Features.

Once you have submitted the Technical and Workflow Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click here to register for the on-demand Technical and Workflow training.](#)

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

RESERVE FIRST MORTGAGE FUNDS

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage funds. When entering borrower information, from the BORROWER tab, it is **mandatory** to choose the essential worker category from the ELIGIBLE field. The eligible occupation and job role will appear in the drop down. After the loan is successfully submitted, you will receive a loan number and a message that you've completed the reservation successfully.

RESERVE ASSISTANCE

Immediately following the first mortgage reservation, click on the ADD DPA/MCC tab to reserve the assistance. The \$20,000 amount will appear, click the SUBMIT DPA/MCC button to reserve. [Click here for instructions.](#)

eHP Tip! *Need a reminder as to how to register a loan, complete the UW Certification, edit a loan or print forms?*

[Log-in to eHP FrontPorch](#), then click on the eHPlaylist to view a short video.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must [click on this link to complete an online form to CLEAR FLAGS on a cancelled loan](#) so the funds may be re-reserved with a new address. Until this process is complete, the lender will not be able to re-reserve funds for the borrower.

PRINT PRE-CLOSING FORMS

Provide the borrower with the **Partial Exemption Disclosure Form at time of reservation**. Date of reservation in the eHPortal is considered the application date for the forgivable second mortgage loan. [Log-in here and use the eHProForms App](#) The Partial Exemption Disclosure form must be delivered to borrower within 3 business days of application date.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timeline.

UNDERWRITE AND CERTIFY

Freddie Mac requires HFA Advantage loans to be underwritten through Loan Product Advisor (LPA) only, and will not accept any loans underwritten through Desktop Underwriter (DU).

Lenders underwrite & are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. Following loan reservation and PRIOR to loan closing, the Lenders Underwriter MUST complete the online Underwriter Certification within the eHPortal. Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, [please log-in to eHP FrontPorch](#) > Collaboration Station and request for the underwriter certification to be removed.

CLOSE

THE LENDER WILL FUND THE DOWN PAYMENT ASSISTANCE AT LOAN CLOSING. Upon loan purchase, US Bank will reimburse the lender. It’s important to provide accurate closing instructions to closing agents. All program documents must be returned to the lender. It is VERY important to note, if the loan amount, purchase price or down payment assistance amount changes, and you have already printed forms, you’ll need to print the forms again so the information on the form is accurate. The following program closing forms are found in [eHP FrontPorch](#) using the eHProForms App.

COMPLIANCE FILE DELIVERY INSTRUCTIONS

ASSEMBLE THE COMPLIANCE FILE

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through the **eHP Front Porch**. This portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. **eHP Front Porch** is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEFI's and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

To assemble the compliance file, you will need a checklist. The checklist is specific to this program and used to submit the compliance documents post-closing to eHousingPlus.

[Log-in here and use the eHProForms App.](#)

Items to be uploaded in the compliance file include:

- FINAL SIGNED CLOSING DISCLOSURE (TRID form)
- FINAL SIGNED 1003 (The job description on the VOE must match the job description on the 1003 loan application - and must be a qualifying job description for the program)
- VOE (A written Verification of Employment (VOE) should state full-time, the borrower name, name of employer and job title/position)
- Copy of State of Nevada issued: a) driver's license or b) state issued I.D.
- Homebuyer Education Certificate
- Real Estate Purchase Contract
- Warranty Deed
- Fraud Report – Must verify borrower(s) real property ownership history.
- Real Property Search – Required ONLY for a non-purchasing spouse, include all pages.

UPLOAD THE COMPLIANCE FILE

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs App and eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected Defis. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area.

Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies.

Please make sure that you're shipping and post-closing staff is very familiar with this area.

Remember your loan can't be approved without standing deficiencies.

EHP COMPLIANCE APPROVAL

Following approval of Compliance File by eHousingPlus, lenders are notified and reminded of the purchase deadline. The Servicer is notified and the file may be approved for purchase.

SUBMIT MORTGAGE FILE & CREDIT PACKAGE TO SERVICER

The Mortgage File including Credit Package are sent to U.S. Bank. The U.S. Bank Delivery and Funding Checklist is found within the U.S. Bank web site. [Use this link](#), then select U.S. Bank HFA Lending Guide/500: Housing Finance Agency Programs/Nevada/NevadaRural/Product Guides. If you experience any technical difficulty, please contact U.S. Bank HFA Division directly at 800-562-5165. U.S. Bank notifies lenders of exceptions.

PROGRAM TIMETABLE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract. To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable.

If the loan is not underwriter certified prior to closing, the loan is subject to cancellation. eHousingPlus via email notifies lenders that the loan may be canceled if the underwriter certification is not completed.

Should the loan reservation be canceled at any point during the reservation, the issuer may allow the loan to be reinstated at the higher of the mortgage rate originally reserved or the then current program mortgage rate.

Please wait until 45 days before closing to reserve funds for new construction, short sales and foreclosures. The revolving pool of funds assures continuous funding. Fund availability makes it unnecessary to rush to reserve funds.

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- purchased within 70 days of loan reservation*

* 70 days is from reservation to loan purchase by the servicer (this means the loan file closed, received compliance approval and is purchased by US Bank).

Purchase Extension Fee

Any loan not purchased within 70 days will automatically receive a 30-day extension at the cost of 0.25% of the loan amount. Additional 30-day extensions will be applied as needed at a cost of 0.25% of the loan amount for each extension. Extension fee(s) will be netted by the Servicer when loans are purchased.

PROGRAM FEES

FIRST MORTGAGE FEES

eHousingPlus Fees

The program includes a first mortgage Compliance/Admin Fee of \$300 and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

US Bank Fees

\$84 Tax Service fee.

\$475 Funding fee should reflect as "Investor Funding Fee" on the LE/CD.

OTHER LENDER FEES – Lender Fees are any fees paid to the Lender for services rendered (i.e. Processing, Underwriting, Administrative, Document Preparation, etc.). Lender fees must be reasonable and customary, and may not exceed what is typically charged by the Lender to other borrowers. "Junk" fees may not be charged and excessive fees are not permitted. The purpose of down payment and closing cost assistance is not to provide a source to pay for such fees. This is a public purpose program for affordable housing and fees are closely monitored.

LENDER COMPENSATION

Lender compensation is a combination of the origination fee charged to the borrower at closing and a Service Release Premium (SRP) paid by US Bank when the loan is purchased.

Loan Origination Fee - Lenders may charge the borrower a loan origination fee up to the applicable amount shown in the chart below as part of the lender compensation. Lenders will retain the origination fee at closing.

Rural Rocks Rate Buy Down Option ONLY - 2% Discount Point may be retained by the lender and paid by the buyer, seller or Program Assistance as allowable. List in either Section A or B on the CD. Label the Discount Points as Rural Rocks Discount or Discount. [Click here](#) to view the Rates/ Offerings chart for Discount Points.

Service Release Premium (SRP) - US Bank will pay Lender an SRP equal to the applicable amount shown in the chart below at the time the loan is purchased.

The chart below shows a breakdown of total Lender Compensation. In addition to the origination fee, Lender may charge "reasonable and customary" fees and expenses that would apply with respect to non-program loans.

Origination Fee	SRP Paid at Loan Purchase	Total Lender Compensation
Not Capped	1.50%	1.50% Plus the origination fee charged by the lender

Addendum A - How to calculate income

Program qualifying income (or compliance income) is not the same as credit qualifying income. The calculation of Program qualifying income is different than the calculation of credit qualifying income, the income that is used for credit underwriting the borrower's FHA, USDA- RD, VA, Fannie Mae or Freddie Mac loan.

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse's occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated).

Unlike income that is averaged for credit underwriting, the Program considers the actual Current Gross Annual Income. Participating Lenders should be reviewing the YTD income. Use the below for determining the actual Current Gross Annual Income for the borrower(s). Current gross monthly income is generally determined first then it is multiplied by 12 months to determine the total Current Gross Annual Income. The Current Gross Annual Income for each occupant, the Household Income for the borrower(s) is then compared to the Income Limits and household size for the county in which the borrower(s) are purchasing (set forth in the table below) to determine if the borrower(s) are eligible.

Please note that this serves as a guide only. Participating Lenders must determine the most accurate actual Current Gross Annual Income based on the pay documentation collected from borrower(s). Participating Lenders must exercise due diligence in determining Program qualifying income and collect the appropriate pay documentation for the borrower(s) and validate the Program qualifying. Please note that this documentation may vary depending on the particular borrower's profession, income source, work, schedule or how often income is received. Just as a Participating Lender would collect the necessary income documentation to support and validate credit qualifying income for the borrower(s), Participating Lenders should collect the necessary income documentation to support and validate the Program qualifying income of the borrower(s).

Gross monthly income considers the sum of monthly gross pay; any additional income from overtime, part-time employment, bonuses, income from self-employment, dividends, interest, royalties, pensions, VA compensation and net rental income, other income (such as alimony, child support, sick pay, social security benefits, unemployment compensation, income received from trusts, and income received from business activities or investments), and the continuation of which is probable for the next 12 months based on foreseeable economic circumstances determined at the time of application.

Program Qualifying Income will be confirmed on the eHousingPlus eHPortal, Underwriter's Certification and Mortgagor Affidavit which is executed by the borrower(s) on the date of mortgage loan closing. Any income obtained from these Program documents that reflect a Current Gross Annual Income exceeding the income limit will result in the pending of the loan file and non-purchase of the loan until the Participating Lender resolves the discrepancy. Participating Lenders can resolve by providing any necessary documentation to support income eligibility or, if it is determined through the review of additional documentation submitted by the Participating Lender that the Program qualifying does exceed the Income Limit, the loan will be cancelled and the borrower will not be eligible for participation in the Program.

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse's occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated).

Use the information below as a general guide.

Please contact the eHousingPlus Compliance Team with any questions or concerns at services@eHousingPlus.com or 954-217-0817.

IMPORTANT! PLEASE READ.

Alternative pay or income documentation used to support Program qualifying income should be retained by the Participating Lender and any alternative documentation used to validate Program qualifying income should be acceptable to the Agencies. Alternative pay or income documentation includes, but may not be limited to, current pay stubs which delineate "current period", W-2's, for the borrower(s) and all employers, and bank statements to verify the receipt of income. For clarification on which documentation should be submitted to eHousing to confirm borrower(s) are eligible for participation in the Program, please see the "Closing, Shipping and Clearing Loans for Purchase" section of this Lender Guide.

Pay or income documentation to support credit underwriting for the first mortgage loan and to support AUS findings are forwarded to the Master Servicer upon loan closing in the first mortgage closed loan file. The Master Servicer does not re-underwrite loans. The Master Servicer will confirm that the pay/income documentation included in the first mortgage closed loan file supports the AUS findings and credit underwriting approval. For clarification on which pay/income documentation is required by the Master Servicer for loan purchase, please refer to the loan delivery checklists available on the Master Servicer's website at www.hfa.usbank.com.

Even if not required for credit underwriting, Participating Lenders should be seeking the two most current paystubs with year-to-date (YTD) earnings. Do not include in the compliance file. Again, Participating Lenders should retain all necessary supporting income documentation in the event it would be required to confirm income eligibility and the income certified by underwriting staff.

Verification of Employment

A verification of employment (VOE) may not be required if acceptable pay/income or alternative pay/income documentation can validate Program qualifying income. If a VOE is required by the Agencies then it should be obtained for credit underwriting but it may not necessarily be considered in determining Program qualifying income if alternative documentation provides a more accurate reflection of a borrower/occupant's Current Gross Annual Income.

Income from a Salary or Wage

Using the last 4 – 6 weeks' pay stubs, add together the gross pay from each pay stub supplied. Divide this total by the number of pay stubs and then multiply by the number of pay periods within a year (i.e. if paid bi-weekly multiply by 26, if bi-monthly multiply by 24, etc.).

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse's occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated).

Commission / Bonus Income

If commission income was noted to have been received as YTD on the 4 – 6 weeks of paystubs supplied, but was not actually received during the review period:

Divide the YTD commission / bonus income by the number of pay periods that have already occurred in the year to obtain the average per pay period. Multiply this average by the total number of pay periods in the year. Add this amount to the calculated income from salary or wage.

Self-Employed / Income from Business

Use the quarterly tax returns and financial statements to identify the current net YTD income. Add back in any depreciation. Divide the YTD income by the number of months during which it was earned and multiply by 12. Losses from a business cannot be deducted from another source of income.

Verification that Overtime, Bonus or Commission payments are terminated

If OT was received during the 4 – 6 weeks of pay subs provided, or bonus or commission income was noted as paid in the YTD information, but verification has been provided in writing from valid third-party source (i.e. employer confirming termination of such income or that it is not likely to continue or change in employment status ceased these payments), you may remove these amounts received when calculating the Program qualifying income.

Interest / Dividends

Use current earnings statements issued by the bank, investment broker or agent. Identify the YTD interest or dividend earnings. Divide by the number of months this YTD represents and multiply by 12. If statements are not available, and the terms of the investment agreement are available, multiply the principal amount of the asset times the annual interest yield factor for a projected interest earnings amount. If neither are available, use the previous year's earnings statements or tax returns to identify the total annual interest and dividend income. If the assets are still invested in the same instruments, use the previous year's figures.

Alimony / Child Support

Use the monthly amount appearing in the divorce decree, separation agreement or other support document. If the borrower receives more or less than the amount stipulated in the agreements, use the monthly figure that the borrower declares and that can be verified (on bank statements for example). Multiply the verified or calculated amount from the above process times 12.

Pensions / Temporary Payments

Use the benefits statement issued by the benefits provider (pensions, workers compensation, disability compensation, social security, AFDC, etc.) to identify the amount of the benefit, payment frequency and expected term of benefit. Multiply the amount of the benefit times the payment frequency. If the benefit is absolutely not payable to the recipient beyond a given date (a verifiable complete and permanent stop of benefits without extensions, exceptions, waivers or other conditions) and such date is within 12 calendar months of the anticipated closing date, then calculate the benefits expected through the end of the benefits term.

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse's occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated).

Calculation of Current Gross Annual Income

Add together all sources of income per each borrower. Compare the calculated Current Gross Annual Income to paystubs, VOE's, the previous year's income per W2's. You should not note significant differences that cannot be accounted for (i.e. Child Support income). In some cases, the Current Gross Annual Income will be higher than the previous year's income. Significant variances should be attributable to increases/decreases in pay or number of hours worked. If paystubs are being used as confirmation of eligibility, Participating Lenders should note within their loan file any variances and why any variances have occurred.

Calculation of Program Qualifying Income

To calculate Program qualifying income, add together the Current Gross Annual Income calculated for each borrower. Compare the Program qualifying income calculated to the Income Limit to ensure compliance with Program requirements.
